

APPROACH

We take a creative approach to every project; treating each project uniquely so we can collaborate to understand objectives and goals. Trane delivers outcomes; we start from the beginning and follow the process through. Plus, we always keep sustainability and energy efficiencies top of mind.

SERVICE & SOLUTIONS

Our capabilities include commercial systems, energy services & solutions, contracting, controls/building automation, rentals and service.

HVAC SYSTEMS

Scalable system solutions for maintaining ideal temperature, humidity and CO2

OPTIMIZED EQUIPMENT

Ductless, DX, Unitary, Air Handling, Terminal, and Chilled Water Systems

RENTAL SERVICES

Promptly provides temporary, scalable HVAC and power from standard applications to complex solutions

BUILDING SERVICES

Reliable, preventative and proactive scheduled maintenance and repair by factory trained technicians

ENERGY SERVICES

Managing your energy supply and demand to help reduce cost, optimize performance and improve sustainability

BUILDING AUTOMATION SYSTEMS

Making precise control easier, mobile and data-rich

INDOOR ENVIRONMENTAL QUALITY

Wellsphere™ is our holistic approach to building wellness that relies on a multi-disciplinary collective of experts using world class technologies and services to improve the viability of your building. Our IEQ approach is to assess, mitigate, and manage with a focus on air quality, lighting, acoustics, and thermal comfort.

AFFILIATED PRODUCTS

AERISA

Ionization based air purification systems

Air Flow Equipment, Inc.

Custom air handling units
Appleton & Madison Offices

Arctic® Chiller Group

Modular process chillers

Armstrong International

Humidification systems for steam, electric and gas generation

CALMAC®

Thermal energy storage systems

Canariis Corporation

Custom pumping systems

ClimateCraft®

Custom air handling units
Madison & Milwaukee Offices

Compu-Aire, Inc.

Specialized environmental air conditioning systems

Filtrine

Process water chillers
Appleton Office

Go Fog, Inc.

Humidification and evaporative cooling systems

Krack®

Fluid and dry coolers

Lumalier

UV germicidal disinfection

Napps

Liquid chillers, water cooled condensing, and compressor units

Phenomenal Aire

Cold plasma generator technology

PoolPak®

Pool dehumidification units

Powrmatic®

Make-up air units, air cleaners, and thermal economizer systems

RenewAire®

Energy recovery ventilation

Seasons4™

Custom replacement HVAC systems for VAV, single, and multizone units

SEMCO® HVAC

Energy recovery, wall panel, sound attenuators, and chilled beam

STULZ USA

Computer room air conditioners

Synexis®

Dry Hydrogen Peroxide (DHP) systems

TEMSPEC

Vertical unit vents

Tower Tech™

Innovative and reliable modular cooling towers

XeteX®

Custom energy recovery and DX air handling units specializing in labs and natatoriums

TRANE COMMERCIAL SYSTEMS EQUIPMENT

- Chillers/ Condensing Units
- Air Handling Units/Split Systems
- Rooftop Units
- Make Up Air Units
- VAVs
- Unit Vents / Unit Heaters / Blower Coils / Water Source Heat Pumps / Cabinet Unit Heater
- Fan Coil Units
- Variable Refrigerant Flow Ductless Systems

INTELLIGENT SERVICES & DIGITAL CONTROLS

- Building Performance
- Active Monitoring
- Energy Assessment
- Energy Performance
